- Change Order #01: signed Aug 4, 2026
- Completion of Service: signed Aug 8, 2026
- Warranty documents: attached to customer record

What happens after payment

A calm landing instead of an abrupt totals wall

1

Payment posts

Square confirms the transaction and Gauzy updates the balance.

2

Receipt sends

A paid receipt is emailed and stored with the project.

3

Status closes

The invoice changes to Paid without creating a duplicate record.

4

Records remain

Estimate, signatures, photos, payments, and warranty stay linked.

Project notes

Customer-facing notes from RoomFlow or Floodman Office

Thank you for trusting Floodman with your property. Please keep the sump discharge area clear and contact our office if you receive a high-water alert, notice a change in drainage behavior, or have questions about the completed work.
